Press Release

Tampere, 4th of June, 2012

Planeetta Internet Oy and Suomi Communications Oy connect to TREX. These are the first connections delivered using the **Reseller Access Method** which was unveiled at last year's TREX Workshop with FNE Finland Oy.

TREX, established in 2003, is based in Tampere which is the biggest inland city in the Nordic countries located about 180km north of Helsinki, Finland. TREX currently has 10 connected members and half a dozen connected anycast services. TREX handles roughly 3-5% of all Finnish national publicly exchanged Internet traffic.
